

REQUEST FORM

Dear customer,

Thank you for your interest in our 3D printing services. Each project is unique, which is why it is crucial for us to know the details of your project. By completing this questionnaire, you enable us to streamline the process and ensure that the end result meets all of your expectations. We kindly ask you to answer as many questions as possible for an accurate and tailored quotation.

We appreciate your cooperation and look forward to working with you to make your 3D printing project a success. Let's get started!

Best regards,

Can you provide a description of the object you want to have 3D printed?

Please include specifications such as dimensions, shape, and any complexity.

Do you have specific requirements and preferences in mind?

For example: Does the object have moving parts, build in screens or lights, sound effects or any other special features

Do you already have a 3D model of the object you want to have 3D printed?

If so, could you please share that model with us? If you don't have a 3D model yet, we would appreciate receiving a (rough) sketch or photo of the object. These visual materials are crucial for us to provide an accurate and suitable quotation for you.
